Julie, 13 years old

Julie Elizabeth Arevalo was born on the 20th of December, 2009. She is 13 years old. Her hobbies include singing, dancing, and making tiktok videos. Her favorite subject is English, because she loves stories. Julie shyly admits that she is having difficulty with mathematics. At home, she helps her family by cleaning their house, and she loves to cook. She lives in Sitio Aplaya, a poor community in Sucat where many of the homes are built on bamboo stilts right above the water of Laguna Bay in Muntinlupa City.

Julie dreams of becoming a teacher because she wants to teach children. She is the fourth child amongst their siblings. Julie wants to finish her studies so that she can help her family someday .

Tender is recommending Julie, who graduated from our Food-For-Life Supplementary Feeding Project, to be a part of the Sponsorship program. She is a good candidate for child sponsorship due to her family's difficult financial situation. Furthermore, it is important to support Jenny because this will help her discover and develop her potential.
