Louie Mae, 10 years old

Louie Mae Rapal was born on the 17^h day of June, 2012. She loves to dance. Her favorite subject is Filipino, while she shyly admits that she is having difficulty in the subject of mathematics. At home, she helps by doing household chores like washing the dishes and sweeping the floor of their home. She lives in Sucat, a poor community situated nearby Laguna de Bay in Muntinlupa City.

Louie Mae is now enrolled in grade 4 but at risk of drop-out without a sponsor, due to her family's poverty. Her dream is to become a teacher someday because she wants to help children to learn how to read. Louie Mae is an only child. Her father works as a fisherman while her mother is a full-time housewife. Her grandmother works as a street sweeper to augment the families income.

Sucate community where Louie Mae resides

IT Tender is recommending Louie Mae, who attended our Feeding Program, to be a part of the Sponsorship Program. She is a good candidate for child sponsorship due to her family's financial situation. It is important to support Louie Mae because this will help to alleviate her family's economic situation.
