

**"Live, Love, Serve to Impact Mankind Here & Beyond"**

Peace be with you and your family! I trust that this finds you all healthy & safe.

As we enter our 2<sup>nd</sup> year on June 18<sup>th</sup>, we are happy to share with you **your accomplishments**. As you well know **Foundation For The Poor Inc.'s (FFP)** core mission is to support **poor children**. It plays an important role for three (3) other charitable organizations whose mission is also to help **poor children**. To fast-track results, we believe in **partnership** with these charitable organizations. These organizations **do not have any legal representation** here in the US – so we raise funds for their proposed projects.

Any Donation/Love Offering we receive goes to the **General Fund** which we distribute equally to the three (3) charitable organizations. These are **Haven of Hope (India)**, **Betterways Africa(Cameroon)**, and **Tuloy Foundation (Philippines)**.

In the year **2018**, **donors** were instrumental in putting up a **playground** for the poor & special children in India through Haven of Hope. FFP provided **Mattresses** (seen behind the Nuns) to the Orphans in Cameroon through Betterway Africa. FFP **supported the operations** of Tuloy Foundation for street children in the Philippines as well. Please find the pics below, and you can see how happy the kids were to be blessed with the Donor's generosity.

On the same year, Foundation For The Poor Inc. granted a 2K financial aid that helped Haven of Hope built a playground for the children. A place to play is what these angels look forward to.

During this year, Tuloy Foundation Inc. received 2K financial support that helped them in their operational expense that month to support a thousand street children.

---

Last year 2019 You help us raised 8K which we awarded to Betterway Africa to build two (2) decent classrooms for the children seen on pics below.

---

Picture of current state of the school.

---

The community (majority are the parents) has started the construction (as seen above) but need to put on halt because of the pandemic. They aim to continue the construction once it is safe to work.

---

---

You helped us raised another 8K which was granted to Haven of Hope to build the Tress (Roofing) for an extra space for the extra-curricular activities of the children a seen below. The work is also on halt because of the pandemic.

---

This year 2020 will be a challenging year for us since outside activities are not allowed. As we claim Covid-19 should not stop us from doing GOOD. This will only be possible with YOUR HELP!

We look forward to your usual support as we partner in blessing these poor children who need our help the most. May God richly bless you and your family!

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Joey'.
