Year 2018

In 2018, FFP awarded 2K to Betterway Africa to buy mattresses together with the blankets & pillows (behind the nuns) for the orphans in Cameroon which they desperately need. You see the children very happy to receive them.

Year 2019

Last year 2019, YOU helped FFP raised 8K which was awarded to Betterway Africa so they can build two (2) decent classrooms for the children in Cameroon.

The community (majority are the parents) has started the construction (as seen below) but they need to put it on halt because of the pandemic. They aim to continue the construction once it is safe to work.

You helped FFP raised another 8K which we gave to Haven of Hope to build the Tress (Roofing) to create an extra space for the extra-curricular activities of the children as seen below. The work is also on halt because of the pandemic.
