Elaisa, 10 years old

Elaisa Jane Ramos was born on the 10th day of September, 2012. She loves to dance. Her favorite subject is mathematics, while she shyly admits that she is having difficulty learning English. At home, she helps out with the household chores such as washing the dishes. She lives in Sucat, a poor community situated nearby Laguna de Bay in Muntinlupa City.

- Grade 5 Level Student
- She wants to become a pediatrician someday
- 12 years investment up to College Graduation

She is now enrolled in grade 5 but at risk of drop-out without a sponsor, due to her family's poverty. Her dream is to become a pediatric doctor someday because she wants to help children. Elaisa is the third child among four siblings. Her father works as a construction worker while her mother is a full-time housewife.

Sucate community where Elaisa resides

IT Tender is recommending Elaisa, who attended our Feeding Program, to be a part of the Sponsorship Program. She is a good candidate for sponsorship due to her family's financial situation. It is important to support Elaisa because this will help to alleviate her family's economic situation.
